ONI DECLASSIFICATION/RELEASE INSTRUCTIONS ON  
FILE

Mr. Matthew Baird  
Director of Training  
Central Intelligence Agency  
2430 "E" Street, N.W.  
Washington 25, D.C.

My dear Mr. Baird:

The Central Intelligence Agency has rendered invaluable assistance to the U.S. Naval Intelligence School in the past by making available various expert lecturers for the School's postgraduate classes. This support of its curriculum is greatly appreciated. An additional requirement exists in connection with the Naval Attache Orientation Course, which meets five times a year at this School, for a lecture on the subject of "CIA Field Relationships With the Military".

If a lecturer can be made available to address the students on this subject it would be greatly appreciated. Provided this request meets with your approval, it is planned to schedule the first lecture tentatively for 1330 on Wednesday, 18 May 1960, and make it available to a combined audience consisting of the Postgraduate Class as well as the current Naval Attache Class. All of these officers are cleared for information up to and including Top Secret.

Commander A. A. STEINBECK, U.S. Navy is authorized to provide liaison with your representative in this matter, and may be reached on Code 1215, Extension 440.

Sincerely,

G. S. COLEMAN

Captain, U.S. Navy
